HO ... HO ... HO WHO'S THAT SANTA?

Can you guess which resort manager played Santa this past Christmas?

Here's a few clues to help you:

- 1 - Son Aiden, age 2, is in his lap.
 - 2 - He's a jolly fellow all year-round!
 - 3 - He's been with Silverleaf for more than 16 years and started in Security.
- Last clue - but I bet you've figured it out already!
- 4 - He makes sure your visits to The Villages are always perfect.

That's right our own Wayne Hitt!
(General Manager at The Villages)

Wayne volunteered his Santa services for his son Colton's Cub Scout Pack 356 and their families.

Hmmm . . . I wonder if we can get him to play Santa for us next year? Next time you see him, be sure to ask him!

If you haven't visited Branson lately you will be thrilled with the new Branson Landing, Branson's newest and largest attraction with more than 100 shops and restaurants, including Bass Pro Shops and Belk Department Store. The 95-acre Branson Landing, located along Lake Taneycomo, is an entertainment retail destination mecca. Ozark Mountain is in the midst of doing a lot of deep cleaning and reorganizing - from updating the information in your in-room binders to restocking a new supply books, games and DVD's.

Apple Mountain Resort has a brand new an 18-hole PDGA pro-certified designed disc golf course. You can rent discs at the Country Store for a \$10 deposit (or bring your own) and play the course for \$5. The course was designed by the 1996 Advanced Master National Disco Golf Champion, John Nisewonder.

The staff at Fox River Resort would like to remind everyone they have a beautiful new registration and activity center with game room, theater, snack bar, lounge areas with fireplaces and flat-screen TV's, and gift shop. Winter activities at Fox River include cross-country skiing and ice skating. If you're planning a visit in February, celebrate Valentine's Day with us, or in March enjoy a traditional corned beef and cabbage dinner with us on St. Patrick's Day.
