## DEAR SILVERLEAF ...

WHY OUR MEMBERS REFER FRIENDS AND FAMILY

... I have referred several co-workers, friends and family members to tour the resorts under the Family and Friends Referral Rewards Program. Each person has had nothing but great reviews about the tour, the staff and the exciting prizes they were awarded just for visiting. ... now I am working on earning enough rewards to purchase a new summer wardrobe, thanks to Silverleaf Resorts.

I am a member with Silverleaf Resorts and a proud owner at Hill Country Resort. I have to give thanks to a very wonderful and caring staff member of yours Jessica B. ... taking the names I have gave her ... which in turn rewarded me with more than \$350 in gift cards. I have used the cards at Home Depot ... and with the rise in the price of fuel, they have also come in handy. Thank you Silverleaf and also thanks to Jessica B.

*Derric W.  
Copperas Cove, TX*

I just wanted to send you a line or two in order to show my appreciation for the gift cards I've received, for referring others to the resort. I love being a member of Silverleaf and wish everyone could experience what I experience when there. I go every chance I get. I like the idea of being able to use the cards just like cash or a credit card. Thanks so much for the incentive. This idea was great!

## DREAM VACATIONS - SILVERLEAF STYLE!

ADD ONE YEAR OF PLANNING, 28 PEOPLE, SIX HOUSEHOLDS, THREE GENERATIONS  
AND THE SUNSHINE STATE OF FLORIDA, AND YOU GET A DREAM VACATION THE SILVERLEAF WAY!

This past July Silverleaf had the honor of hosting a one week vacation at Orlando Breeze for a very special close-knit family. Grandparents, parents, children, grandchildren, aunts, cousins and more, all spent a fabulous week enjoying each other and everything that Orlando has to offer. Three of the families have been members in the Silverleaf family of resorts since the late 1990's. Everyone traveled from different parts of Texas to enjoy their time together. With 13 children, Disney World was a big hit along with Typhoon Lagoon and, of course no Florida vacation would be complete without a trip to the beach.

Beverly Smith, of Dallas, wrote  
“... I'm grateful ... to be able to spend our 2008 vacation together at Orlando Breeze Resort, where hospitality and service was excellent ... A celebration beyond most celebrations, in the Sunshine State of Florida and Walt Disney World where dreams really do come true ... I'm proud to be an owner ... Thanks for all you did to give my family this wonderful experience.”

According to Mike Robinson, who along with his wife Angela have been members since 1999, they're already making plans for next years' family vacation!

Thanks for sharing your wonderful story with us and we look forward to hearing about your next Silverleaf dream vacation!
