RESORT REMINDERS

Be flexible with your dates and resorts when requesting Bonus Time- you have a better chance of an immediate confirmation.

With summer ahead and always busy with more guests visiting, you may want to call ahead and make your reservations for the activities requiring advance notice, such as horseback riding, boat rentals and golf tee times.

OUR RESORTS OF THE YEAR

OAK N' SPRUCE AND TIMBER CREEK RESORTS

THIS IS THE SEVENTH year we've pitted resort against resort and challenged each resort to go that "extra mile" to make their guests' vacations the best ever. In the spirit of friendly competition we encourage and award their extra hard work, their outstanding customer service and in the end it is always our owners who benefit the most - by truly having memories that last a lifetime from dream vacations we helped become reality.

Oak N' Spruce Resort

For the second year in a row **Oak N' Spruce Resort**, in the large resort category, came out on top, along with **Timber Creek Resort**, in our small resort category. We honor two resorts based on the criteria of having more (or less) than 150 units and 10,000 annual reservations. Many factors play a part in earning this distinction, including safety and customer service. Our hats off to all their team members that contributed to their resorts' winning efforts!
