DEAR SILVERLEAF ...

WHY OUR MEMBERS REFER FRIENDS AND FAMILY

... I have referred several co-workers, friends and family members to tour the resorts under the Family and Friends Referral Rewards Program. Each person has had nothing but great reviews about the tour, the staff and the exciting prizes they were awarded just for visiting . . . now I am working on earning enough rewards to purchase a new summer wardrobe, thanks to Silverleaf Resorts.

I am a member with Silverleaf Resorts and a proud owner at Hill Country Resort. I have to give thanks to a very wonderful and caring staff member of yours Jessica B. . . . taking the names I have gave her . . . which in turn rewarded me with more than \$350 in gift cards. I have used the cards at Home Depot . . . and with the rise in the price of fuel, they have also come in handy. Thank you Silverleaf and also thanks to Jessica B.

*Derric W.

I just wanted to send you a line or two in order to show my appreciation for the gift cards I've received, for referring others to the resort. I love being a member of Silverleaf and wish everyone could experience what I experience when there. I go every chance I get. I like the idea of being able to use the cards just like cash or a credit card. Thanks so much for the incentive. This idea was great!
